Report from the Chair, CAUL/CBUA
prepared for the
Board of Directors Fall 2016 Meeting
Marc Truitt
October 17, 2016

1. Manager

It hardly seems possible already, but Cynthia has just passed her six-months' anniversary as Manager of CAUL-CBUA. In this short time, she has thoroughly familiarized herself and indeed become quite expert in our governance, members' issues, vendor relations, and much more. I'm sure that I speak for our entire cohort when I say that we're immensely pleased with the great job she is doing and look forward to continuing to work with her for a long time to come!

2. Access 2016

CAUL-CBUA was one of the main sponsors of the Access2016 meeting just concluded in Fredericton. You will have seen Lesley Balcom's message with attached picture in this connection. I would like to join her in expressing my appreciation to CAUL-CBUA for its generous sponsorship of this event.

3. CRKN AGM

Speaking of sponsorships, you may also recall that CAUL-CBUA is the sponsor as well of the opening night reception for the Opening Reception at the CRKN Annual General Meeting, on Tuesday, 18 October. My thanks go to Donna Bourne-Tyson for stepping up to give CAUL-CBUA's welcome in my absence; thanks as well to Dalhousie for providing the reception venue. I hope that many of you will be able to attend!
